## HUGE SUPPLY OF DRUGS FOUND HIDDEN IN WALL

Four Men Required to Carry Load,  
Which Includes Cocaine, Opium,  
Morphine and Hypodermic Outfits.

A supply of drugs that took four  
men to carry is held at the West  
Thirtieth street police station as evi-  
dence against Francis Connors, or  
Collins, of No. 257 West Thirty-ninth  
street, who was arrested early to-day  
at his home.

The sequestered supplies consist of  
cocaine, opium, morphine, heroin, hy-  
podermic needles and opium smoking  
outfits. Detectives Judge, Cleary,  
Miller and Waterhouse of the drug  
squad, who arrested Connors, say  
they discovered the contraband be-  
hind a loose wall panel as they were  
about to leave the room, thinking  
their raid had been fruitless.

The detectives say Connors, or Col-  
lins as they know him, was ar-  
rested in Special Room yesterday  
on a drug charge and his case con-  
tinued for one week.

With the drugs the detectives  
found \$200 in cash, which they turned  
in at the police station. The prisoner  
insisted that the original amount was  
\$400, and that it was insurance money  
received by his wife after her brother's  
death. The detectives submitted to a  
searching, but only a few dollars  
were found on them besides the  
\$200.

Head of Musical Society Dies.  
CAMBRIDGE, Mass., Oct. 23.—Will-  
iam Frothingham Bradbury, a prominent  
educator, and President of the Har-  
vard and Haydn Musical Society of Bos-  
ton, died yesterday, aged eighty-six.  
He was an authority on higher mathe-  
matics and had written several text-

## WOMEN FROM 45 TO 55 TESTIFY

To the Merit of Lydia E. Pink-  
ham's Vegetable Com-  
pound during Change  
of Life.

Westbrook, Me.—"I was passing  
through the Change of Life and had  
pains in my back  
and side and was so  
weak I could hardly  
do my housework.  
I have taken Lydia  
E. Pinkham's Vege-  
table Compound  
and it has done me  
a lot of good. I will  
recommend your  
medicine to my  
friends and give you  
permission to pub-  
lish my testimonial."—Mrs. Lawrence  
Martin, 18 King St., Westbrook, Maine.  
"At the Change of  
Life I suffered with pains in my back  
and loins until I could not stand. I also  
had night-sweats so that the sheets  
would be wet. I tried other medicine  
but got no relief. After taking one bot-  
tle of Lydia E. Pinkham's Vegetable  
Compound I began to improve and I  
continued its use for six months. The  
pains left me, the night-sweats and hot  
flushes grew less, and in one year I was  
a different woman. I know I have to  
thank you for my continued good  
health ever since."—Mrs. M. J.  
Brownell, Manston, Wis.  
The success of Lydia E. Pinkham's  
Vegetable Compound, made from roots  
and herbs, is unparalleled in such cases.  
If you want special advice write to  
Lydia E. Pinkham Medicine Co. (confi-  
dential), Lynn, Mass. Your letter will  
be opened, read and answered by a  
woman, and held in strict confidence.

## QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards'  
Olive Tablets.

What is the joyful cry of thousands since  
Dr. Edwards produced Olive Tablets, the  
substitute for calomel.

Dr. Edwards, a practicing physician for  
15 years and calomel's old-time enemy,  
discovered the formula for Olive Tablets  
while treating patients for chronic con-  
stipation and torpid liver.

Dr. Edwards' Olive Tablets do not con-  
tain calomel, but a healing, soothing veg-  
etable laxative.

No griping in the "knots" of these  
little sugar-coated, olive-colored tablets.  
They cause the bowels and liver to act  
normally. They never force them to un-  
natural action.

If you have a "dark brown mouth" now  
and then—a bad breath—a dull, tired  
feeling—sick headache—torpid liver and  
are constipated, you'll find quick, sure  
and most pleasant results from one or two  
little Dr. Edwards' Olive Tablets at bed-  
time.

Thousands take one or two every night  
and keep right. Try them: 10c and  
25c per box. All druggists.
